Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

- 1-15. (Cancelled)
16. (Previously Presented) A combination roof eave and simulated exposed roof rafter end for a building:
- the roof eave comprising a fascia and a soffit, and
- the simulated exposed roof rafter end comprising a sleeve portion and a mounting portion, the mounting portion is attached to the building, and the sleeve portion is slidably attached to the mounting portion and comprises a distal end having an architectural design.
17. (Previously Presented) The combination roof eave and simulated exposed roof rafter end of claim 16 wherein the mounting portion is a frame.
18. (Previously Presented) The combination roof eave and simulated exposed roof rafter end of claim 16 wherein the mounting portion is a block of wood.
19. (Previously Presented) The combination roof eave and simulated exposed roof rafter end of claim 18 wherein the block of wood is a rafter end.
20. (Previously Presented) The combination roof eave and simulated exposed roof rafter end of claim 16 wherein the sleeve portion comprises a top wall, a bottom wall, and a pair of side walls enclosing the mounting portion.
21. (Previously Presented) The combination roof eave and simulated exposed roof rafter end of claim 16 wherein the mounting portion is attached to the soffit and the sleeve portion comprises a bottom wall and a pair of side walls enclosing the mounting portion.
- 22- 41. (Cancelled).
42. (Previously Presented) A combination roof eave and simulated exposed roof rafter end:
- the roof eave comprising a fascia and a soffit, and
